2 lines: prices vary
3 lines: prices vary
4 lines: prices vary

5 lines: prices vary
6 lines: prices vary
7 lines: prices vary
8 lines: prices vary

Logo: Additional charge regardless of quantity.
Price may vary for large logos or a complex design with dense engraving.

Logo Engraving

Engraving depends on the size and intricacy of design.
An average logo up to 2" has an additional cost, regardless of quantity.
Larger logos have an additonal cost depending on the area and density
of design. For accurate quoting submit design of logo.
Additional charge for paper proof required. Camera Ready Art supplied.
Additional charge for Digitizing. Black and White high resolution
(at least 600 dpi) laser prints required. Images must be very clean,
crisp and clear; no fuzzy or jagged edges.
For Digital Artwork: We work primarily on the PC platform.

We cannot accept MAC files.
We prefer Corel Draw over all other formats.
Corel Draw: All text should be converted to curves, with hard copy included.
Adobe Illustrator: Convert all type to "outlines" and include hardcopies.
Please contact us before sending artwork in a format not listed above.
Sending Art to Classic Medallics: If you are sending artwork on disk we must
receive a hardcopy to insure accurate rendering.
On disk: We accept standard floppy disks,100MB ZIP disks, and Cd-roms.
E-mail: sales@classic-medallics.com or individual customer service rep's e-mail.
